Professional Experience

People Operations Manager

Canalini Consulting LLC – Washington, DC (*Remote*) | 03/ 2024 – Present

- Built core People Ops infrastructure by designing Canalini's first Quarterly Performance Evaluation Program, creating consistent rhythms through SMART goals, KPIs, and value-based coaching.
- Streamlined the employee lifecycle by launching Canalini 101, managing the full onboarding and offboarding cycles, digitizing and automating HR processes, and standardizing job levels and salary bands with market data.
- Strengthened culture and engagement by creating and leading company-wide initiatives, including Culture Club, monthly happy hours, games, and community threads, to foster connection in a remote environment.

Event Host

Bath Fitter – Ledgewood, NJ | 05/ 2023 – 03/ 2024

- Represented Bath Fitter at trade shows and community events, engaging directly with customers and delivering persuasive product presentations to diverse audiences.

People & Communications Intern

PRYME Agency – Morristown, NJ | 06/ 2023 – 08/ 2023

- Interviewed internal departments to identify communication gaps and process inefficiencies, presenting recommendations to senior leaders to improve cross-department collaboration.

Crew Member

Trader Joe's – Princeton, NJ | 03/ 2022 – 02/ 2023
